Attn: Magistrate Chen

Re: Case # c07-4337

Dear Magistrate Chen

I received attached letter in mail today. I do not understand what it is.

I've never been served with my process regarding this case.

I understand this case was supposed to be dismissed for failure to serve. I had an attorney look it up for me today online.

If I need to do something please advise.

Additionally, John Brosnan, AKA **John Bohls** has been deemed by the courts as a vexatious litigant in civil sate court. It appears he is up to his old tricks again in the US Federal court as well.

I know he is in court records for hundreds of cases for these types, and your records will pick it up for your assistant if she/he would kindly look up to prove to you what he is really doing which is wasting the courts time as well as victims such as myself with his frivolous filings.

I do not have the money to fight with Brosnan with an attorney nor do most of his victims. Please help stop him from doing this to people. I'm pleading for your support Magistrate Chen.

Gratefully yours,

Don Oberle
